Seniors with Ms. O'Brien at a college fair.

In Memory of Johnathan Brodie

Johnathan Brodie “Brodie” would have been a graduating senior. Brodie succumbed to cancer but through it all kept good faith. I met Jonathan in the eighth-grade, and we instantly became best friends. He was smart, funny, and best of all had a good heart. Brodie was the kind of person who gave everyone a chance. He could make a bad day into a good one with his sense of humor and smiles. If you knew Brodie, he was always out to make your day pleasant, before his was a good one.

I want to thank Ms. Brodie, for having an excellent son. There was never a day with Brodie where he didn’t mention you. You’ve been so strong through it all. It’s because of you; I and so many others have more faith and hope. Thank you.

My biggest memory of Brodie was his love for the old music. He would always sing, or dance, or try both at the same time. Another favorite memory was how ashy he used to be, every morning; we would have to chase him with lotion.

A great person was lost. Charlestown High School will miss Brodie, never has a student had such an impact in so little time. We love you, and you’re always in our prayers.

~Derrick Bell

Asian New Year

FEBRUARY 9, 2005

Year of the Rooster

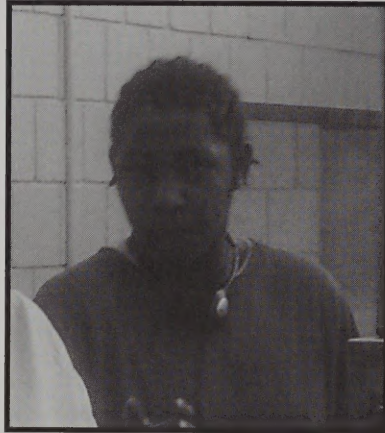

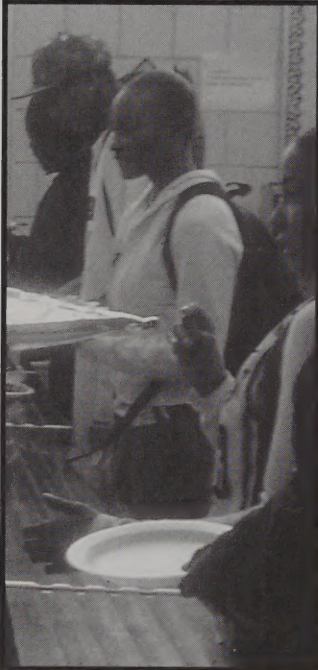

The Rooster is a hard worker; shrewd and definite in decision making, often speaking his mind. Because of this, you tend to seem boastful to others. You are a dreamer, flashy dresser, and extravagant to an extreme. Born under this sign you should be happy as a restaurant owner, publicist, soldier, or world traveler.
